

Compassionately serving our community through accessible, specialized care.

Equal Opportunity in Employment and Service Delivery Policy

No otherwise qualified applicant for service or program participant shall be excluded from participation, be denied benefits, or otherwise be subject to discrimination in any manner on the basis of race, color, national origin, age, sex, sexual identity, sexual orientation, religion, political beliefs or disability. No employee or other person shall intimidate, threaten, coerce, or discriminate against any otherwise qualified individual for the purpose of interfering with any right or privilege secured under one of the applicable civil rights laws, or because they have made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing under one of the applicable civil rights laws. This policy covers eligibility for access to service delivery, and to treatment in all of the programs, services and activities. All employees are expected to support the goals and programmatic activities relating to nondiscrimination in service delivery.

Dynamic Mental Health
Support & Treatment

*Serving Residents in the Counties of
Marathon, Langlade and Lincoln*

North Central Health Care

Person centered. Outcome focused.

Outpatient Mental Health

North Central Health Care offers a state certified outpatient clinic that provides a variety of outpatient mental health and substance abuse services available to residents in the counties of Marathon, Langlade and Lincoln.

Each person's treatment and recovery is unique to their situation. North Central Health Care has developed a variety of outpatient treatment options available for a variety of diverse situations, delivered by a professional, experienced team of providers.

Specialized Support & Treatment Solutions

Support and treatment solutions need to be as unique as the people they serve, which is why North Central Health Care takes a person centered approach to the care that you receive.

Support and treatment is provided for a multitude of diverse situations including:

- Anxiety
- Depression & Mood Disorders
- Addiction
- Schizophrenia
- Personality Disorders
- Behavioral Disorders
- Abuse/Trauma
- Stress
- Relationship Challenges
- Grief & Loss
- Major Life Changes
- Conflict Resolution

Outpatient mental health care helps people of all ages, providing care and treatment in a manner that is most appropriate for each person's individual situation. Treatment options are available for:

- Individuals
- Families
- Couples
- Groups

In addition to techniques used within an individual treatment plan, some services may be utilized independently as necessary, including:

- Mental Health Assessments
- Psychological Evaluations
- Psychological Testing
- Medication Management
- Substance Abuse Assessments

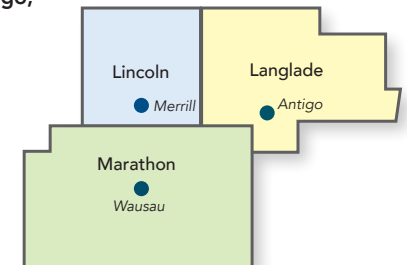

Accessible Care

North Central Health Care serves residents in the counties of Marathon, Langlade and Lincoln. With such a large geographical area, it is important for treatment and recovery that there is access to these services close to home.

Outpatient offices are located in each of the three counties we serve with treatment available in

Wausau, Antigo, and Merrill.

Experience Matters

At North Central Health Care, our team of skilled, experienced professionals are expertly trained in a variety of treatment solutions. We work together to help you experience the best outcomes.

Our interdisciplinary team consists of:

- Referral Coordinators
- Counselors
