North Central Health Care

NEWS YOU CAN USE

WEEKLY CONNECTION WITH GARY OLSEN

Congratulations to All the Graduates!

This time of year is always a fun time for those who are graduating. We have many employees who have children or other family members graduating from high school or college. It is a wonderful time to celebrate the accomplishment and hard work of those who are graduating. We also get to attend graduation ceremonies and parties, which help us see loved ones and friends who we don't get to see all the time.

My youngest daughter graduated from the University of Eau Claire last Saturday with her degree in Kinesiology. She will be attending the University of Milwaukee this fall to start her graduate degree in Occupational Therapy. As she walked across the stage, I could not help but think about my graduation and how happy I was to finally be done. I know we have many employees who are either working on a degree or graduated recently with their degrees. If you are one of these individuals, **CONGRATULATIONS!!!** You also know exactly what I am talking about regarding the great sense of accomplishment to be done and the great sigh of relief you have felt not having to study for tests or do homework.

One of our Core Values is Continuous Improvement. It does not matter if someone is graduating from high school or a university, either way they are fulfilling our Core Value of Continuous Improvement as they improve upon their knowledge and understanding through their studies. So, if you have family members who are graduating please tell them congratulations for me and I hope their next phase of their lives are rewarding and uplifting.

HELPING A COWORKER DURING DIFFICULT TIMES Son Struck By SUV Getting Off Bus

A very serious accident has impacted our coworker Fawn Wojcik, Residential Care Coordinator in our Jelinek Residential site. Last week, a tragedy happened and Fawn's son was struck by an SUV while getting off the school bus. He is stable but remains critical and has undergone emergency surgery in Madison's Children's Hospital. For those who would like to help Fawn and her family during this time, Fawn has created a GoFundMe page. Please keep Fawn, her son, and her family in your thoughts. We are hoping for the best.

Dear Sara, Ryan & Staff,
Thank you so much for everything this semester! Thank you for your patience and kindness, in addition to your readiness to precept nursing students. Our student nurses are nervously eager and excited to be in their first clinical assignment at Pine Crest. The student/LPN/RN/CNA relationships at Pine Crest was enriching and hopefully mutually rewarding, so thank you again.

CALLING ALL EMPLOYEES, OWNERS & ENTHUSIASTS OF CLASSIC CARS, MOTORCYCLES AND TRACTORS!

Are you interested in showing your ride at our NCHC event for our residents?

Email [Rachel rriehle@norcen.org](mailto:Rachel.rriehle@norcen.org) or [Melissa mstockwell@norcen.org](mailto:Melissa.mstockwell@norcen.org)

We are asking folks that want to show their antique motorized vehicle (can be motorcycle, tractor, or car) to come between 1:00 and 1:30 pm on June 6. This allows us to get everyone safely parked, before the residents and family members start to go through. Participants are more than welcome to leave their car there past the normal show time of 3:30 pm, if they are using it as their get to work vehicle. We are just not responsible for anything that might happen to the vehicle.

There is no fee to participate, and we will have a vote and some small prizes for a few of the participants' favorite vehicles. The Classic Cars will be parked in the middle parking lot in front of Suite B, off of Marshall St, and drivers should follow the event signs. Staff will be there to assist with parking, as well. If participants need to just leave their vehicle to go back to work, that is fine, as well.
