WEEKLY CONNECTION WITH MICHAEL LOY

Good Things Come to Those Who Do Good Things

News travel fast, Dodge Dart fast! The organization is buzzing with the news that Darla Plaster, from our Mount View Care Center team, won this year’s United Way car raffle. She had a 1 in 24,615 chance to win and she drove away with it. In addition to Darla, Jennifer Thompson of Adult Protective Services was a finalist for the car. Congratulations to both Darla and Jennifer, and thank you for your continued support of the United Way!

Each year we talk about the importance of the United Way and the impact it has on our community. The importance of supporting the United Way as an organization stems from not only the fact that the United Way does great work, but also because they also directly support NCHC and the people we serve in ways we cannot achieve on our own. The United Way is truly a valued community partner for us and it is important for NCHC to support the United Way through our generous giving in our annual employee campaign. It is simply wonderful to be part of what they are doing in the community.

Our annual United Way campaign is fueled by our Campaign Committee. The 2017 United Way Campaign Committee included Bo Johnson, Chad Karsnia, Jennifer Gorman, Jessica Meadows, Jessica Putrus, Kim Gochanour, Laural Harder, Melissa Stockwell, Patrick Bacher, Sheryl Hemp and Michelle Gleason. Our Campaign Committee also walked away with an award this year as the Outstanding Campaign Committee of the Year! Great job everyone for your efforts and thank you to everyone who participated in this year’s campaign activities.

We’re not done yet either, NCHC also walked away with recognition as part of the Marathon County School Based Counseling Consortium in receiving the 2017 Partner in Caring Award. Additionally, based on our annual campaign contributions where we were also recognized by receiving the Circle of Excellence Award.

Thank you again to the Campaign Committee and those of you who participated in United Way events or donated this year. It’s a proud day to be part of NCHC! Your support and efforts mean the world to people in our community and is truly making a difference. Oh yeah, we’re having fun along the way too. A car is not a bad deal for doing a good thing either. Please consider joining the campaign and United Way events in 2018.

Make it a great day,

Darla Plaster, from our Mount View Care Center team, had a 1 in 24,615 chance of winning the brand new Dodge Dart in the United Way drawing. All those who gave a qualifying amount were entered for a chance in the drawing to win! But guess who drove away with a new car today??!!! Darla was the first contestant to pull keys at random from a basket and her key fob unlocked her brand new car! SHE WON!

This year, North Central Health Care had two finalists to win the car. In addition to Darla, Jennifer Thompson of Adult Protective Services was also a finalist and went home with a basket full of prizes from the United Way of Marathon County. We are happy for you both, and grateful to all those that gave time, talent and contributions to the United Way of Marathon County in 2017!

Our entire North Central Health Care Team was also recognized and won 3 other awards:

- **Outstanding Campaign Committee of the Year**
- **2017 Partner in Caring Award for Leadership on the Marathon County School Based Counseling Consortium**
- **Circle of Excellence: Partner Award**

Thank you to all NCHC employees for their commitment to our community and for all your generosity in 2017!

January 17, 2018: Warm Water Works is Heating Up!

Earlier this week on WAOW TV 9, Brianna Hollis got an inside glimpse into the Warm Water Therapeutic Pool Capital Campaign and will share an update with the community. Brianna spoke with Michael Loy, Brenda Budnik and several of the Warm Water Works pool users to get a good background for the history, value and importance of this community resource in Central Wisconsin. (We even talked Brianna into getting into the pool to try it out and give part of her interview in the water).

POLICY UPDATES

Our New Policy System Has Arrived for 2018

Beginning in January 4, 2018 NCHC has converted to a new policy system called myPolicies. The icon on your desktop will look exactly the same, however when you click on it, you will be taken to myPolicies online. The system has advantages for NCHC: more robust and easier search function as well as only one login is needed to use the system. You login information will be identical to your system login, so there will be less things passwords to remember. Watch for training modules on HealthStream.

Some key points about myPolicies:

- Staff will continue to access policies and procedures by clicking on the same icon as they are accustomed to (see right).
- Once your click on the Policies and Procedures icon, all employees will be required to sign into the system by inputting their username upon first login. Their username will be their norcen.org email address (example: jsmith@norcen.org) and network password. **This is the same password credentials used to log into your computer.
- When logging in for the first time, all employees will have multiple tasks to complete on their home screen.
- These tasks will be asking them to “acknowledge” each document.
  - The documents they will be asked to acknowledge are either “Policies” which relate to the whole organization or “Procedures” which are department specific.
  - Please be aware that “Medical Staff” policies will show up for acknowledgment for employees. This is due to regulatory reasons.

All employees will need to acknowledge each policy listed in their tasks by January 31, 2018.

Below is a step-by-step screen shot to be utilized by employees when logging in for the first time.

NOTE: If you are not seeing the same screen as the one listed on the screen shots below, please reboot their computer one or two times to allow the change to take place.

NOTE: All staff will continue to receive a notification via e-mail from no-reply@mypolicies.com titled “myPolicies: Action Required - Document Acknowledgment” until they have acknowledged all documents.

If you have any questions regarding the system integration or need assistance, please contact Katlyn Coles at kcoles@norcen.org or 715.848.4422.

LOGGING INTO myPOLICIES

Step 1: Select “Policies and Procedures” tree icon on desktop

Step 2: Login to system, username is your norcen.org email address (example: jdoe@norcen.org) and network password **This is the same password credentials used to log into your computer.

Step 3: Select “myPolicies” icon on webpage (See Figure A)

Step 4: View home screen and select “Action Required” to acknowledge all documents (See Figure B)

Step 5: Select each policy, review the policy then select “Acknowledge” to complete the task (See Figure C)

Step 6: After acknowledging the document you will automatically return to the home page to complete all additional tasks requiring acknowledgment.

*If you have questions or need help accessing myPolicies please contact Katlyn Coles in Administration at kcoles@norcen.org or 715.848.4422

Employee of the Month

TANYA ZALOUGEK
Therapist, Outpatient Services

Congratulations to Tanya Zaloudek for being recognized as our January Employee of the Month! Tanya focuses on providing outstanding person-centered service to all of her clients. Her compassion and dedication can be seen in her daily interactions with clients. Tanya has been known to be the first to work and the last to leave, and often gives up lunch periods to see clients at times or to help co-workers who may be in need. Her level of professionalism is admirable and she consistently exceeds her productivity requirements in Outpatient Services. Tanya has worked in the Substance Abuse & Day Treatment program on the Wausau Campus and has also provided clinical supervision at the Merrill and Antigo Centers. During staff shortages at the Antigo Center, Tanya’s duties changed to help meet the needs of our communities and she was effective in helping clients gain access to services. She welcomed this change and continues to put the needs of clients first. Tanya is a great asset to our Outpatient Services Team and to the communities we serve.

Congratulations Tanya!

A Celebration for Tanya will be held on Friday, January 26, at the Antigo Center at 12:30pm

EXERCISE REWARDS
Error Now Fixed in Sign-Up Process

There was a slight delay with loading the eligibility for North Central Health Care employees with Exercise Rewards (the fitness reimbursement program for 2018). If you tried previously to set up your account but were unable to please try again as we have received confirmation that the eligibility is now in Exercise Rewards’ system.

There are (3) ways to track your fitness center visits once you have registered an account with Exercise Rewards at www.ExerciseRewards.com:

1. Automated—More than 5700 contracted fitness centers or exercise centers across the country can automatically send each member’s fitness utilization to ExerciseRewards on behalf of the member. Members don’t have to do anything else, except the initial fitness center sign-up process.

2. ExerciseRewards CheckIn! Mobile app—Allows members to submit their fitness visits right from their phone or tablet. When members check in at the fitness center, GPS tracks how long members in the fitness center and submits the time spent to Exercise Rewards when members check out

3. Manual—members can choose to manually log their visits on paper and submit to ExerciseRewards. Fitness Centers will need to sign off each time a member visits the center to verify their use. You can also submit a fitness club printout showing the dates of your visits with your completed visit submission form. Submission Forms are found on the intranet in the Benefits Information in Human Resources section of the site. You can download or print forms from there.

If you visited a participating fitness center since 1/1/18 and were unable to register with ExerciseRewards rest assured that those visits will still count towards your 10 visit requirement for the month of January. You can report those visits using the Manual method as outlined above in #3. The manual submission form is attached. You can submit those to Exercise Rewards directly or you can send those visits to via email to Diane.stroik@aspirusa-rise.com Please note that you will need to register for an Exercise Rewards account in order for those visits to be applied to your account for January.
