very interested to see the creativity this next generation of workers will bring to challenges we face at NCHC. Healthcare as an industry will probably be the most influenced industry because of the demands of needing to find new ways to have accessible, affordable high quality of care. This is quite a challenge.

Make it a great day,

PHOTO OF THE WEEK

Submit A Great Photo From Your Week!

We see inspiration, beauty and contemplating images every day. Things we just wanna say “Did you see that?”. Each week the News You Can Use will feature a "Photo of the Week" taken by our staff at NCHC. It could be nature, something new, person-centered service inspirations, or a great team shot of your team in action. Photos will be randomly selected to be featured on the front page.

Submit your photo and description to: Email: jmeadows@norcen.org or Text: 715.370.1547. Please indicate Photo of the Week and include your name, who/what/where of the photo and why you are submitting. Please remember! To protect the privacy of our patients, clients and residents, photos are not to be taken of any of those we serve without written permission.

WHAT DO BUTTERFLIES MEAN?
A Reminder from the Behavioral Health Team
If you are ever at the Behavioral Health Services Program area on the Wausau Campus, you may from time to time see a photo of a butterfly hung on the doors to the Inpatient Psychiatric Hospital. What does this butterfly mean? This a friendly reminder that there is a patient within the hospital that poses a potential elopement risk, and that all employees entering the area should use the phone located near the hallway entrance before entering. Also, use caution to make sure that doors close behind you. Thanks for this great reminder from Sarah Christianson, BHS Nurse Manager.

Roadmap to a Resilient Community

Marshfield Child Advocacy Center Medical Director Dr. Kristen Iniguez, D.O., FAAP, Mr. Tony Iniguez, Trauma Education Specialist, and Heather Schlegenhof, CSW, will co-present on the Resilience Clinic of Marshfield Clinic Health System. This session will highlight how the Resilience Clinic became a reality.

Monday, March 5th
2:00-3:30pm
Marathon County Health Department
in Maple/Oak Conference Rooms

The Trauma Paradigm
Trauma informed, trauma responsive, trauma specific. What’s the difference? Learn about the Trauma Paradigm and how it can inform prevention strategies.

The Resilience Clinic
The Resilience Clinic provides high quality, comprehensive, multi-disciplinary health care services for children who have experienced complex trauma regardless of insurance coverage. Learn about how the vision for the Resilience Clinic became a reality.

The Patient Care Model
The Resilience Clinic patient care model is 4-pronged and includes trauma focused education, social work, specialty medical care, and behavioral health services. Learn about how this model has led to increased overall health & well-being for the patients.

NCHC IN THE NEWS
Laura Goergen Talks About Marijuana Use
Laura Goergen, Clinical Coordinator and Therapist at NCHC, spoke with Emily Davies from WSAW TV 7 about marijuana use and its impact on both children, adults and families. Emily also met with our law enforcement partners at the Marathon County Sheriff’s Office as well. The segment airs on WSAW TV 7 on Thursday, February 8. Laura, thank you for taking the time to share your expertise with our community. Watch the videos here: http://www.wsaw.com/content/news/7-Investigates-Marijuana-Migration-473411313.html

What is the connection?
HEALTH AND WEALTH

FEBRUARY IS HEART HEALTH AWARENESS MONTH
You already know that you should exercise regularly, but let’s discuss your salt intake. Your heart and salt are not buddies. Reducing your use of salt, especially if you have a family history of high blood pressure or heart disease, could help save your life. When you consume salt, you make it more difficult for your kidneys to gather fluid and for you to urinate, which leads to fluid retention. This fluid raises your blood pressure and, in turn, puts strain on your heart. The tiny blood vessels that lead to your kidneys are also strained.

FLEECES HAVE ARRIVED
Delivery Has Begun!
The shipment of Holiday Gift Fleeces has arrived! The Purchasing Team has delivered fleeces to each program area and program leaders will be distributing to employees who ordered in December 2017. As with any garment orders, we ask that employees inspect their fleeces for any defects and report any problems via email by Feb. 21 to Kelly Henke Kaiser in Purchasing at KHenke-Kaiser@norcen.org. Defects are bad zippers, tears, seams, etc. Because these are custom orders for NCHC and sizing samples were made available for everyone to try on, returns because employees ordered an incorrect size will not be accepted, and are not considered a defect. If you receive a color or size you did not order, and there is an error, we can get that corrected for you also. Please only report defects in craftsmanship or wrong orders to Kelly.

These fleeces will be added to the SwagShop for ordering within the next few weeks, so if you are interested in ordering additional fleeces, you can! http://www.norcen.org/SwagShop

A MESSAGE FROM HUMAN RESOURCES REGARDING YOUR TAXES

THERE HAS BEEN AN IMPORTANT CHANGE REGARDING THE 1095 FORM(S) AND YOUR TAX FILINGS

The IRS-established deadline for these form(s) to be furnished to you is January 31, 2018.

YOU WILL NOT BE ABLE TO COMPLETE AND FILE YOUR TAXES WITHOUT YOUR 1095 FORM(S) OR PROOF OF MEDICAL INSURANCE COVERAGE.

Your 1040 Tax Form for 2017 will ask if you had medical insurance coverage for all 12 months. In 2018, the 1095 form(s) are needed to complete your taxes for 2017; employers and insurance providers are required to furnish these forms to their employees.

ADDITIONAL INFORMATION AND SAMPLES:

You will be receiving these forms because in 2014, the Affordable Care Act began requiring all Americans, with few exceptions, to have health insurance or pay a penalty of the greater of 2% of your household income or $695 per person ($347.50 per child under 18). The maximum penalty per family is $2,085. The Affordable Care Act also requires that all employers who have more than 50 full time employees, offer coverage to their full-time employees.

In 2018, the IRS is requiring that each employer with over 50 full time employees report to the IRS the coverage they offered to their full time employees in 2017. This form is called a 1095-C form. As a self-insured health insurance plan, your employer is required to disclose the offer of coverage in Parts I, II, and III of the 1095-C form. The form will look like this:

If you accepted the health insurance offered by your employer, Part III of the 1095-C form will disclose the coverage you took and who was covered under your plan, month by month.

Q. Will I have to amend my tax filing when I receive my 1095 form(s)?
A. The IRS has specifically stated that you will need to amend your tax filings upon receipt of your 1095 form(s) if you file your taxes prior to receiving the forms.

Q. Will I receive a 1095 form(s)?
A. If you are supposed to receive a form but do not receive your form by March 16, 2018, please contact your Human Resources department.

Q. Do I need to keep my 1095 form(s)?
A. Please keep these forms with your other tax records as these forms are important tax documents.

Q. What do the codes on Line 14 mean?
A. The codes listed on line 14 describe the coverage that your employer offered to you and if it was offered to your spouse and dependent(s), if any. These codes were provided to your employer by the IRS, and you will receive a copy of the codes with your form.

Q. Why is the amount on Line 15 of the 1095-C form different than the amount I pay for health insurance?
A. Although you may pay more than the amount listed on Line 15, the IRS requires that the employer put the premium an individual would pay for the lowest cost plan and for single coverage only. This is how the IRS determines if the plan was affordable.

Q. What do the codes on Line 16 mean?
A. The codes listed on line 16 describe your employment and health insurance enrollment status. These codes were also provided by the IRS, and you will receive a copy of the codes with your form.

Q. Will my dependents receive a 1095-B form if they were covered on my insurance?
A. No, since your employer is self-insured, Part III of the form will list each month you and your dependent(s) were enrolled in coverage for at least one day.

Q. What if I had coverage through somewhere other than my employer?
A. If you were full-time and benefit eligible then you will still receive a 1095-C form that will provide information on the offer of coverage made to you by your employer. However, you will still need to show that you were covered on a health insurance plan when you file your taxes. You will need to request a copy of the 1095-B or 1095-C form from the person covering you on their insurance. If you took coverage through the federal or state Healthcare Marketplace you will receive a 1095-A form.

Q. Will I get a form if I didn’t take any coverage?
A. If you were full-time and benefit eligible then you will still receive a 1095-C form that will provide the information on the offer of coverage made to you by your employer. You will still need this form even if you had coverage elsewhere or didn’t have any coverage at all. However, you will not receive a 1095-B form.

If you have more questions, please contact Lynn Wengelski in Human Resources at x4419.

Employee of the Month

TRACY HEITING
Residential Services – Forest Street

Congratulations to Tracy Heiting for being recognized as our February Employee of the Month! Tracy was nominated for her Partnership, Continuous Improvement, Dignity and Accountability that she displays with all interactions. Tracy goes out of her way to talk in depth with doctors and pharmacists to make sure that clients get the very best care. She also makes sure she has clear communication with guardians to ensure that they are up to date on the latest information. Tracy is known for her cool head, even in difficult situations and her commitment to her job is “like no other, making sure her staff and clients are safe and happy.”

Tracy’s nomination form even included a testimonial from her son: “My Mom does the best job making sure I’m doing good at school, sports and life. She’s always there for me.”

“Tracy is one of the best coordinators I have worked for. No matter the time, she answers the phone. She takes time to show staff respect. She cares about her staff and clients.” – Anna, Coworker

“She makes everyday fun!” – Marvin, Resident

Join us for the Employee of the Month Celebration at 2:30 pm on February 14 in the Wausau Campus Cafeteria. Congratulations Tracy!

ARE YOU A CAREGIVER?
Like many people, you may not realize you’re a caregiver. You might think of what you do as simply helping someone important to you– a spouse, parent, friend. If you are helping with things like: medications, shopping, doctor visits, laundry, household chores, you may be a caregiver.

Powerful Tools is a six-week workshop that teaches you how to take care of yourself while caring for someone else. By taking care of your own physical, mental, and financial needs, you become a better caregiver. The workshop gives you the tools to:

• Reduce stress, guilt, anger, & depression
• Manage your time, set goals, & solve problems
• Master caregiving transitions
• Make tough decisions
• Communicate effectively with the person needing care, family members, doctors, and paid helpers.
