WHEN using Behavioral Health Services to describe the work of our organization it could mean many different things. From a service line/program standpoint when we say Behavioral Health Services we are referring to our 24/7 programs and services for individuals with mental illness and/or addiction. Behavioral Health Services includes our Emergency & Crisis Services, 16-Bed Psychiatric Inpatient Hospital, 12-bed Crisis Stabilization Community-Based Rehabilitation Facility (CBRF), 15-bed Medically Monitored Treatment (MMT) program, and Youth Crisis Stabilization program.

All County's must provide some level of emergency and crisis services. We provide these services on behalf of our County partners. The crisis services we provide are very comprehensive and ever evolving as community needs change. Crisis services are often the gateway into our other programs, it is often our first encounter with people. In meeting with the State on Monday this week I covered 14 major improvement initiatives coordinated in Crisis Services in the last three years. The team and service delivery approach has changed and will continue to receive more support to become the best crisis services program in the State. It’s amazing how much happened in a single day in this program.

North Central Health Care is one of five county programs in the State of Wisconsin that operates an Inpatient Psychiatric Hospital. Most Counties rely on State Institutes or other private Inpatient Psychiatric Hospitals to meet their needs. Our hospital’s success is a key component to our success as a system approach to providing a wide continuum of care here at NCHC. It takes a lot to run a hospital, and frankly all of the BHS programs. We have added additional staff and addressed a number of improvement opportunities in the hospital. There is a long-term vision of success we are working towards.

Lastly, we’ve expanded the MMT program and with that expansion, an expanded Crisis CBRF. These are exciting times for enhancing services. To say there has been change in BHS in the last three years is an understatement.

Does that mean we have arrived? No.
Does that mean we have more ground to cover? Yes.

One of our core strategic aims is to have unequaled behavioral health services competence and quality. In the period of massive change and a continued path to excellence ahead of us, I want to thank all of our BHS staff for their continued commitment and efforts. To be successful in any 24/7 health care operation, it takes great care and skill. The ability to be successful is even more demanding when you talk about the demands placed on those who work in our BHS services. We see each of these programs as one BHS team, coordinating a long-term vision of a seamless set of 24/7 care options for individuals with mental illness and addiction. You’re doing a wonderful job, and we are so fortunate, the people we serve are so fortunate to have you. Thank you for all you do, it's an incredible task you are up to.

Make it a great day,
Submit A Great Photo From Your Week!

Submit your photo and description to: Email: jmeadows@norcen.org or Text: 715.370.1547. Please indicate Photo of the Week and include your name, who/what/ where of the photo and why you are submitting. Please remember! To protect the privacy of our patients, clients and residents, photos are not to be taken of any of those we serve without written permission.

PHOTO OF THE WEEK

Classic Car Show at Mount View Care Center
Thank you to all those who brought cars, motorcycles, tractors and more in for the 2018 Mount View Care Center Classic Car Show! The event was a great success. This photo shows a few of the gracious gentlemen who brought show cars in! They shared their stories with residents, and even gave Dr. Bora a ride in the 1930 Ford Model A! Thank you!
NUEROPSYCHIATRIST AND PRESIDENT OF ASAM MIDWEST REGION VISITS NCHC

Addiction Training

Last week North Central Health Care welcomed Dr. Taca, Nueropsychiatrist and President of the American Society of Addiction Medicine (ASAM) Midwest Region, to speak to staff from NCHC’s Lakeside Recovery and Day Treatment programs. Our teams continually strive to learn and grow as the needs of our community change, so we can better meet the ever-changing challenges that addiction can cause.

MAKING CONNECTIONS

Have a Ball in the Ball Pit!

The Legacies by the Lake Team had a ball this week in the “Ball Pit”. This fun display was created to share among programs. Just like the video from Person-Centered Service where complete strangers get together in the ball pit to learn about each other and find their common, this fun display gets employees asking questions and finding more interesting things out about their teammates!

Want the Display for a Team Meeting?

Think this interactive display would be fun to give a whirl at your next department meeting? Contact jannow@norcen.org to reserve the display. In the future, we are looking at some permanent “ball pits” to be displayed around NCHC.

ADVENTURE CAMP REGISTRATION NOW AVAILABLE!

Come Have a Monster of a Time at NCHC Adventure Camp at Mount View Care Center

August 13 – 17

Children, grandchildren, nieces, nephews etc. of any NCHC employee, who are ages 3-12 are welcome to attend Adventure Camp at Mount View Care Center. Registration forms are available Human Resources, MVCC Information Station and the Hub Staff Lounge. Camp is $40 per child for the week and runs from 8 am to 4 pm.

BENEFITS SURVEY TO COMPLETE BY AUGUST 3
Your input is important to us, regardless of whether or not you currently participate in any of the benefits offered by NCHC

North Central Health Care knows how hard you work and cares about your health and well-being while at work and at home. NCHC wants to make sure that the benefits we offer are comprehensive, affordable and are valuable, for you and your family. Each year, we review our current programs — particularly our health and dental plans — to ensure they live up to these goals and are meeting your needs.

Please help us by completing a simple electronic survey. Your input is important to us, regardless of whether or not you currently participate in any of the benefits offered by NCHC. The information we receive from you will help our HR Team complete our annual benefits review process. We know how valuable your time is, so the survey should take about 5 minutes of your time.

You can find the link to this quick and simple survey here: [http://marathon-wi.co1.qualtrics.com/jfe/form/SV_00qtN2VMESMOEXr](http://marathon-wi.co1.qualtrics.com/jfe/form/SV_00qtN2VMESMOEXr)

To make it more convenient for you, the survey can be completed on a desktop computer or mobile device, including tablets and smart phones!

**Please complete your survey by Friday, August 3.** Thank you for your time and all that you do for NCHC and those we serve!

If you have questions, please contact Lynn Wengelski, Compensation & Benefits Analyst 715.848.4438.

EMPLOYEE LIFE INSURANCE PREMIUM ADJUSTMENT
From Human Resources

Each year, as of July 1st, our life insurance carrier, Securian, updates the life premiums for employees. If you are enrolled in the life insurance plan, the amount of coverage is based on your annual earnings and the premiums are based on your age. The pay check dated, July 6, 2018, will include a premium increase, only if you have moved into a new age bracket and/or your annual earnings have increased. If your earnings have not increased and you have not moved into a new age bracket, you will not experience a premium change. If you have any questions regarding your life insurance premiums or the amount of coverage please contact, Lynn Wengelski, in Human Resources at x4438.

WERE YOU UNABLE TO ATTEND 2ND QUARTER EMPLOYEE UPDATES?
Want to See the Presentation Again?
https://youtu.be/890QU8-4YJc

We want all employees to be able to attend the Employee Updates Sessions to connect with leaders, ask questions, and meet with team members you may not regularly have the opportunity to. However, we do know that serving in health care, there are instances in which you are just not able to make it or wish to view the presentation over again. You can now view the 2018 2nd Quarter Updates from June in full format by visiting the NCHC YouTube Channel. Check out some of the other great videos there, too!

https://youtu.be/890QU8-4YJc

The video is also available here: O’drive: Employee Updates folder contains the complete slide shows and videos for all Employee Update sessions.
The Wisconsin Deferred Compensation (WDC) Program is a powerful tool to help you reach your retirement goals. Join a WDC Program representative at an upcoming meeting.

**If You’ve Been Saving for a While …**
You may want to take a fresh look at your portfolio to evaluate whether your balance between risk and potential return still makes sense.

**If Retirement Is Just Around the Corner or If You’ve Just Retired …**
We are here to assist you in making a smooth transition to retirement. Ask your representative about the benefits of keeping your money in the Program after you retire. And we can help you understand your distribution options, as well.

**Wisconsin Deferred Compensation (WDC) Program**
Offered by your employer, North Central Health Care

---

**Meeting Announcement:**
**Learn More About the WDC**

**Online Scheduling …**
To schedule an appointment or register for a group meeting, go to the WDC website at www.wdc457.org and click Schedule a Meeting.

**Things to bring to an individual appointment, if possible …** Your current Wisconsin Retirement System (WRS) and Social Security statements; other retirement account statements; a current paycheck stub; and your WDC username, password, and PIN (if known). Also, please be ready to provide your desired age at retirement, number of years of state service accumulated as of desired retirement age, and number of dependents claimed for tax purposes.

Please bring all of the above information for your spouse/domestic partner (if applicable).

**Why Did the Chicken Cross the Road?**
**To Meet the Dinosaur at the Community Treatment Town Hall**

Who said employee meetings can’t be fun!? Community Treatment held a Town Hall Meeting at the Wausau Campus earlier this week. Employees from across all three counties got together for training, learning and fun! Any idea who is wearing the costumes???? Great job team!

---

**Uniform Sale**
**July 24 at Wausau Campus**

On Tuesday, July 24, there is a Uniform Sale taking place in the Gym & Recreation Center from 7 am until 3 pm. Stop on by to get deals on scrubs and uniforms for various positions across the organization.

Congratulations to Jill Schulz, recipient of the June 2018 Employee of the Month Recognition. Jill Schulz is a wonderful role model who lives our Mission and Vision at NCHC. She continuously enriches and fulfills lives and provides compassionate care. She will tell you that she loves her job and the residents whom she works with. Jill brings smiles, joy and happiness to the residents, their family members as well as the staff. And, she will tell you that the residents are the ones who keep her smiling and working hard. Jill not only works in life enrichment, but assists as a CNA on her weekends as well. Jill ensures that dignity of the residents is always upheld. She is accountable and holds her peers accountable, and she is always here for the right reasons, and that is for the residents. Thank you Jill for your compassion, your love for the residents, your drive and your dedication – and thank you for helping make NCHC a great place to work!

Congratulations Jill!

MULTI-FUNCTION PRINTERS
What You Need to Know!

All existing Multifunction Copiers (MFD’s) will be replaced by technicians from our new provider MARCO. As the MARCO techs replace each machine they will be offering some basic training to available nearby staff.

A copy of these Basic Instructions will be added to the Intranet as well as the O Drive in the News You Can Use Folder, so you may access at any time.

In the short term, printing to these devices will be identical to printing to the old devices. Existing printers installed on your PC’s will print to the new machines that are replacing the old device. However over the next couple weeks those old printer queues will be disabled and everyone will begin printing to a new single SECURE print queue. This queue has already been added to all PC’s and should be available in your printer lists.

Its name is “SecurePrint” and sending a job to this queue will send the print job to a holding area in the server. To release the job and the MFD you will need to use your staff ID badge to authenticate to the MFD.

The first time you badge into a copier you may need to associate your badge to the device. This is accomplished by entering your network user ID (ncxxx#) and current password into the onscreen or slide out keyboard at the MFD. You will then be able to release your stored print job using the onscreen release buttons. Use of your badge will be required for Copy and Scan functions as well, however incoming FAX’es will still print straight to the device.

This “Secure Print” is being instituted enter prise-wide to better protect confidential client information per HIPAA guidelines. The software that controls this feature is called Papercut and has been rolled out Countywide as well in order to assist all County departments to better evaluate print usage.

If you are not able to attend one of the training sessions at the machine, there will also be some follow-up sessions with MARCO techs available this Friday afternoon, July 20. Just let the Helpdesk x6710 know and we will do our best to schedule additional training at the machine.

CCITC staff are also available to offer additional basic training next week and beyond. Just let the Helpdesk know and we will work to answer questions via email or will schedule future in person training.

CCITC Helpdesk helpdesk@co.marathon.wi.us x6710 (On-Wausau Campus)
715-261-6710 (Off-Campus)

SCHOOL SUPPLIES OF GREATEST NEED

- Colorful Backpacks (New)
- Colorful Washable Markers

TRAINING AVAILABLE FOR NCHC STAFF
Identification of Tardive Dyskinesia within Behavioral Health Programs

August 1 • Noon • NCHC Wausau Campus Board Room

Dr. Daniel Boyd from Memphis, TN. Dr Boyd will be providing education on the identification of tardive dyskinesia within behavioral health programs. It has been said that the psychiatrist needs the eyes and ears of the injection nurses, RN’s, case managers, medical assistant, pharmacist, therapist, program managers at the CBRF, etc. to help with the assessing and diagnosis of tardive dyskinesia.

Both an In-Service Lunch and In-Service Dinner are planned for Wednesday August 1. The lunch session will be held in the NHCWausau Campus Board Room at 12:00 Noon and lunch will be provided. Inpatient, community treatment, residential and crisis CBRF staff are invited to attend the noon session. The dinner session will be held later that evening at Back When Café for 20-30 physicians, directors and managers. Details can be found on the HealthStream (posted on Monday, July 23)

Please register on HealthStream to attend at https://bit.ly/2y5ovF0

Come and enjoy a FREE, FUN, INTERACTIVE day of back-to-school readiness! Bridge Clinic and our community partners will help you gain resources, get connected, and celebrate the end of summer.

Learn about:
- Connecting to assistance services
- Supporting active lifestyles
- Creating healthy habits
- Organizations that specifically serve families in need

This FREE health-focused event will get your students ready for back to school.

Where: Bridge Community Health Clinic
1810 N. Second Street
Wausau, WI 54403

NOTICE: PLANNED IT SERVICE TO O AND M DRIVES ON JULY 25 AT 4:30 PM
This impacts All-Staff

The CCITC Team has determined that it is time to replace our O and M drive server. There will be a 1-hour outage on July 25th beginning at 4:30 p.m. You will need to reboot your computer to re-establish your mapped O and M drives after the outage is complete. These drives will have a new path name, so linked files and short cuts to things located on the previous drives, will not work and will need to be remapped.

So, what does this mean to you?
- Any desktop shortcuts that you have that linked to the old M and O drives, will need to have the path changed to the new server name. The new name will be communicated at a later date.
- If you have spreadsheets that cross reference to other files on the O or M drive the link will be broken, as the path to the M and O Drives will have a new name. (Example: Dashboards that link to other files for data)
- Your recent files listing will not open if they are saved on the current O or M drives. This applies to your Windows start button, Word, Excel, PowerPoint and Crystal Reports etc.
- You may need to modify your default save folder in Word, Excel and PowerPoint if you have it currently mapped to the O or M drive

Please take a look at your current computer files and prepare a list in advance for any changes you may need to make.

If you have questions, please contact the HelpDesk at x6710.
WHAT’S 4 LUNCH?
WAUSAU CAMPUS CAFETERIA

Cafeteria Hours: Open 7am – 5:30 pm
A Cashier is on duty from 9:00am – 10:00am, 10:30am – 1:30pm.
When a cashier is off duty, an honor system is used for food purchases.

Serving Soup, Salad and Lunch Entrée Option
Monday – Friday.
All hot sandwiches, hot foods and cold bar items are $.35/ounce.
Soup: $1.25 Cup | $2.00 Bowl
