MARATHON COUNTY CRISIS ASSESSMENT RESPONSE TEAM

Community Partners

*We are here to assist in
crisis situations and provide
referrals to Mental Health
Services for residents of
Marathon County.*

What is *CART*?

The Crisis Assessment Response team (CART) is a specially trained team with members from the Marathon County Sheriff's Office, the Wausau Police Department and North Central Health Care who respond to crisis situations in Marathon County.

How Can We Help?

We are available in the community to answer questions about mental health services and provide referrals for individuals and families who manage a mental illness or work with homeless persons.

Our Goal

- Reduce the number of individuals taken into custody through emergency detentions.
- Provide community based mental health stabilization services.
- Connect individuals to community programs and social supports.
- Provide positive police interactions for individuals living with mental illnesses.
