*Opening the Door to Hope, Recovery & Opportunity
for People with Mental Illness*

Community Corner Clubhouse provides a **supportive place** where adults who are living with mental illness can **rediscover** their **self-respect, dignity, and abilities** through the opportunity to perform productive **work, belong** and create **meaningful relationships**.

North Central Health Care
Person centered. Outcome focused.

What is COMMUNITY CORNER CLUBHOUSE?

Community Corner Clubhouse is an internationally accredited program that helps its members find social support right here in the Wausau area.

Community Corner Clubhouse helps members work together to empower each other and find resources and basic needs.

Members are adults affected by a mental illness and sometimes substance issues.

Members and staff develop meaningful relationships, providing a community of support to avoid isolation in a welcoming and safe place.

This proven model enables members to build a better life for themselves and to become productive citizens of the community.

Our Goals

- Provide a safe, supportive, and enriching community environment for members
- Provide an atmosphere of acceptance
- Promote self-worth, dignity and respect

Our Mission

We strive to provide a safe, supportive environment to enrich the lives of mental health consumers in gaining independence and building self-confidence by providing meaningful work opportunities for growth.

Our Vision

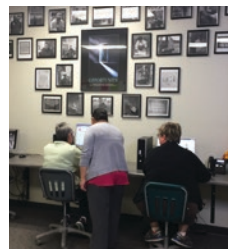

- Serving those in need
- Be the "door" to mental health services in the community
- The "mortar that fills the gaps" in mental health
- Make a positive impact on the perception of mental health

COMMUNITY CORNER CLUBHOUSE Work Order Day

The work order day engages members and staff, together side by side, in the running of the clubhouse. Community Corner Clubhouse is open five days a week and parallels typical working hours. The Clubhouse is organized into two units: BEE Unit - Business, Employment & Education and Culinary Unit.

BEE Unit Business, Employment & Education

- Vocational support
- Transitional employment
- Supported employment
- Independent employment
- Educational opportunities
- Housing assistance
- Clerical duties
- Reception work
- Answer phones
- Greet members and guests
- Schedule tours
- Host tour/orientations
- Computer tracking
- Telephone outreach
- Assist members with accessing community resources

Culinary Unit

- Planning and preparing a meal together
- Sharing the experience of eating together
- Grocery shopping
- Working in the Central Perk snack shop
- Planning for special Clubhouse Events
- Community Outreach

North Central Health Care
Person centered. Outcome focused.

“Community Corner Clubhouse has helped me return to employment through TEP and is assisting me in finding a part-time supported job.”

– Katherine

“Before Clubhouse I didn't have a direction in my life. Since Clubhouse I have gained a lot of confidence and direction and learned how to accept others as they are.”

– Evelyn
