Mount View Care Center

is nestled on a 17-acre, fully-landscaped campus with gorgeous, elevated views of Lake Wausau and the surrounding community. Inviting picnic areas and paved walking paths allow both residents and visitors to enjoy seasonal beauty that promotes relaxation and recovery.

Care and Beyond

Northwinds is 1 of only 5 care facilities in Wisconsin with approved dedicated units for the care of ventilator-dependent residents. Our highly trained team help residents adjust to ventilator-dependent lifestyles.

- Our team helps residents develop and reach rehabilitation goals including ventilator management and weaning
- Certified Nursing Assistants are Vent-Tech Certified and specially trained to provide ventilator-dependent care
- Mobility is very important in recovery, and Northwinds is structured to provide as much privacy or sociability as desired. Residents are able to explore the campus and community using portable ventilator systems

Comprehensive Rehabilitation

Our teams provide the most extensive rehabilitative care opportunities available in Central Wisconsin, even for the most medically complex situations – *all delivered on-site*. Numerous rehabilitation techniques, from physical therapy to complex respiratory care only found at Mount View Care Center, give our teams the ability to uniquely approach your recovery.

With years of teamwork and experience, the care you receive is disciplined, effective and tailored to you.

- 24/7 Respiratory Therapy
- Comprehensive Physical, Occupational & Speech Therapies
- Aquatic Physical Therapy at our on-site Aquatic Center
- In-house Pharmacy

Person-Centered Care

Mount View Care Center takes a person-centered approach to your care. We view each resident in a holistic manner, factoring in medical needs, mental health care and activity levels to offer each resident opportunities to heal according to their needs and preferences.

- Flexible, individualized therapy options
- Active Activities Calendar
- Music Therapy
- Dietitian providing individualized nutritional counseling and education
- Social Services and Transition Care Teams to coordinate a smooth, comfortable welcome and discharge

Complex Medical Care

Mount View Care Center is experienced with a wide variety of complex medical care needs. Uniquely trained, our dedicated, interdisciplinary team includes:

- Ventilator Dependent Care Specialists
- Certified Wound Care Nurses
- Nurse Practitioners
- Medical Director

Our complex medical care capabilities include:

- Wound Management
- Feeding Tubes
- Tracheotomy Care
- Intravenous Medication & Treatment
- Complex Respiratory Care
- Ventilator Dependent Care and Weaning
- Sleep Disorders
- Pain Management

As part of our mission, the care we deliver is both specialized and accessible, which is why we provide on-site diagnostic and medical labs for both X-ray and EKG.

Reliable and Secure

Our team provides 24/7 on-site respiratory therapy and nursing services with reliable, personal care for each individual. Our secure and integrated nurse call system incorporates each ventilator within Northwinds Vent.
