WHAT IT MEANS TO BE RECOGNIZED AS ONE OF THE
Best Nursing Homes
in the United States

Mount View Care Center
skilled nursing  |  short-term rehabilitation  |  dementia care

Superior Health & Safety Standards
Expect premium healthcare in a safe environment.

Experienced, Committed Nursing Team
Expect dedicated skilled nursing staff specifically trained to handle complex medical needs.

Unparalleled Quality Clinical Care
Expect care that surpasses clinical guidelines and is centered on creating the best health outcomes.

Extraordinary Resident Satisfaction
Expect personal care, services and environment that continually exceed expectations.

Leader in Skilled Nursing Care
Mount View Care Center has been state and nationally recognized as a leader and model organization for skilled nursing. We provide education and guidance to other skilled nursing facilities on how to reduce falls, manage pain effectively, and practice safe clinical techniques.

Continuum of Care
At every stage, our goal is to provide knowledge, care and expertise that promote a healthy, successful life. Our care integrates physical, mental and emotional needs by providing opportunities unique to our Wausau Campus.

- Mental Health Counseling
- Substance Abuse Treatment
- Adult Day Services and Respite Care
- Aging & Disability Resource Center

Our professional team of care coordinators would love to meet you and your family to answer any questions you may have.

Mount View Care Center is nestled on a 17-acre, fully-landscaped campus with gorgeous, elevated views of Lake Wausau and the surrounding community. Inviting picnic areas and paved walking paths allow both residents and visitors to enjoy seasonal beauty that promotes relaxation and recovery.

Themed lounges are easily accessible and provide opportunities to enjoy movies, reading and activities. Sun porches, complemented by private and public outdoor areas have been designed to showcase our unique and picturesque views.

Comprehensive Rehabilitation

Our teams provide the most extensive rehabilitative care opportunities available in Central Wisconsin, even for the most medically complex situations – all delivered on-site. Numerous rehabilitation techniques, from warm water physical therapy to complex respiratory care only found at Mount View Care Center, give our teams the ability to uniquely approach your recovery.

With years of teamwork and experience, the care you receive is disciplined, effective and tailored to your recovery.

• Comprehensive Physical, Occupational, Speech & Respiratory Therapies
• Aquatic Physical Therapy at our on-site Aquatic Center
• Licensed Massage Therapy
• Music Therapy
• Dietitian and Nutritionist providing individualized nutritional counseling and education
• Social Services and Transition Care Teams to coordinate a smooth, comfortable discharge
• In-house Pharmacy

Complex Medical Care

Mount View Care Center is experienced with a wide variety of complex medical care needs, and has dedicated staffing and resources in place 24/7. Uniquely trained, our dedicated, interdisciplinary team includes:

- Certified Wound Care Nurses
- Nurse Practitioners
- Ventilator Dependent Care Specialists
- Medical Director

Our complex medical care capabilities include:

- Wound Management
- Feeding Tubes
- Tracheotomy Care
- Central Lines
- Complex Respiratory Care
- Ventilator Dependent Care and Liberation
- Sleep Disorders
- Pain Management

As part of our mission, the care we deliver is both specialized and accessible, which is why we provide on-site diagnostic and medical labs for both X-ray and EKG.
