

Why work exploration?

Members will have the opportunity to determine their level of interest in specific job fields through hands on work at the exploration site. They will be better able to decide what type of position would make a successful job match as they move towards community focus and permanent employment.

Benefits of working at St. Vincent De Paul

Through their work at St. Vincent De Paul, participants will gain first hand experience working in a large retail store.

Participants Will Learn:

Reliability

Punctuality

Why it is important to be alert to your surroundings

Responsibility

Cooperation

Patience

Communication

And more....

Equal Opportunity in Service Delivery

No otherwise qualified applicant for service or program participant shall be excluded from participation, be denied benefits, or otherwise be subject to discrimination in any manner on the basis of race, color, national origin, age, sex, sexual identity, sexual orientation, religion, political beliefs or disability. No employee or other person shall intimidate, threaten, coerce, or discriminate against any otherwise qualified individual for the purpose of interfering with any right or privilege secured under one of the applicable civil rights laws, or because they have made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing under one of the applicable civil rights laws. This policy covers eligibility for access to service delivery, and to treatment in all of the programs, services and activities. All employees are expected to support the goals and programmatic activities relating to nondiscrimination in service delivery.
