

A Weekly Update
For The Employees of
North Central Health Care

NEWS YOU CAN USE

WEEKLY CONNECTION WITH GARY OLSEN

We are pleased to announce we will be holding an on-site hiring event here on our Wausau campus. This event will help us bring some awareness to the community about who we are and what we do, as well as finding some great people to work at our facilities. This event will take place on **Wednesday, October 9th from 10am – 5pm**. We will be working hard to get maximum participation in this event through signage, social media ads, radio ads, and word of mouth. Please share

this event with your friends, or anyone you know of who might be looking for a job.

Also please remember, that if you refer anyone to this event and they are hired, you will be eligible to receive the referral bonus. The referral bonus is \$1,000 for any referral who is hired at an FTE status of 0.5 or higher and they are employed, and in good standing, for 90 days. For any position that is hired at under an FTE status of 0.5, you are eligible for \$500 once they are employed, and in good standing, for 90 days.

This on-campus hiring event is something new we are trying here at NCHC. This is also another way for us to demonstrate to the community our Core Values of Partnership and Continuous Improvement as we partner together to showcase what a great facility we have here and continuously improve to get more people to work for our organization. Let's spread the word about this excellent opportunity. We are excited to utilize this tool to attract candidates to our amazing organization.
