

A Weekly Update
For The Employees of
North Central Health Care

NEWS YOU CAN USE

WEEKLY CONNECTION WITH GARY OLSEN

At North Central Health Care, we want to take a moment to say a heartfelt Mahalo to each and every one of you.

You may have seen or heard the word Mahalo before—it's a Hawaiian word that means thank you, but it carries a deeper meaning than just simple appreciation. Mahalo is rooted in a spirit of gratitude, respect, and acknowledgment. It expresses sincere thanks for someone's actions, effort, and heart.

And that's exactly what we want to convey to you as we celebrate Employee Appreciation week this week.

Whether you're working directly with clients, supporting operations behind the scenes, stepping in to cover shifts, or simply showing up every day with compassion and commitment—mahalo for your dedication. Your work changes lives, strengthens families, and uplifts our community in ways that are often unseen but always felt.

This spirit of gratitude ties directly into one of our core values at North Central Health Care: Partnership.

Partnership – "We are dedicated to excellence in helping others. We actively serve our clients, each other, and our community with kindness, understanding, and respect."

Every act of service, no matter how big or small, contributes to the mission we all share. Thank you for being part of this mission, and for continuing to serve with heart, integrity, and compassion.

So once again, mahalo for all you do. We see you. We appreciate you. And we're grateful every day to have you on the team.

PRINTING SYSTEM MAINTENANCE

Tuesday, August 19, 12:00 am–2:00 am

On Tuesday, August 19, from midnight to approximately 2:00 am, CCITC will be performing scheduled maintenance on the Print Management System. During this window, printing may appear to work from your computer, but print jobs will not be available for release at the printer. Some jobs may release after maintenance is complete, but this is not guaranteed.

Copying and faxing will not be affected. If you have any questions regarding this maintenance, please reach out to CCITC at x6710, 715.261.6710, or helpdesk@co.marathon.wi.us.

CITRIX UPGRADES

Beginning Tuesday, August 19

On Tuesday, August 19, CCITC will be upgrading Citrix on all North Central Health Care computers. When the update begins, you will receive a prompt to install. Please be sure to save any work and close all Cerner applications before clicking "Close Apps & Install." If you do not use Cerner, you will still receive the update prompt and should proceed with installation.

The upgrade will take approximately 5–10 minutes. You may defer the installation up to three times, but after the final deferral, the update will begin automatically with a 10-minute countdown. Thank you for preparing ahead to ensure a smooth update. If you have any questions, please contact CCITC at x6710, 715.261.6710, or helpdesk@co.marathon.wi.us.

Detailed instructions have been sent via email.
