WEEKLY CONNECTION WITH MICHAEL LOY

Pine Crest Nursing Home

North Central Health Care is a multi-county organization representing Langlade, Lincoln and Marathon Counties. As part of the Joint County Agreement that creates our multi-county agency, each county can individually work with NCHC to have us manage other county operations that may or may not be delivered across all three counties. Over the years this has meant many different things such as managing Mount View Care Center (MVCC) and the Aquatic Therapy Pool on behalf of Marathon County or starting a Sober Living program on behalf of Langlade County. We are always open to these opportunities if they fit within our mission and vision.

Recently, Lincoln County has asked NCHC to temporarily manage Pine Crest, their skilled nursing facility located in Merrill. Pine Crest is a 180 licensed bed skilled nursing facility that is very similar in structure and size to MVCC. Pine Crest has had a long-term Administrator who has done a number of great things for Lincoln County and has recently made the decision to retire at the end of May. We have agreed to manage Pine Crest in the interim until at least the end of August. In agreeing to do so we have agreed to a couple key things:

1) Kim Gochanour, our Nursing Home Operations Executive, will serve as Pine Crest’s full-time Administrator and will spend the majority of her time in Lincoln County. She will be available to NCHC staff and will participate in a number of our activities over the summer but until further notice, Kristin Woller, our Assistant Administrator, will serve as MVCC’s point of contact for day to day operations for MVCC. Kim and Kristin will continue to have an ongoing daily interaction and will coordinate activities over the summer. The plan is that Kristin is now leading the team at MVCC through the end of August.

2) We will be offering support, education and consultative services to Lincoln County representatives from a number of NCHC Management Team members but mostly the CFO, HR Director and Director of Nursing. We will not be sending any MVCC direct care staff to Lincoln County.

3) We will be providing Human Resources recruitment services to support the recruitment of hiring a full-time Nursing Home Administrator for Pine Crest by August 1, 2019.

4) We will be helping to update Pine Crest’s budget format and financial reporting for 2019 as well as providing the Pine Crest Board of Trustees a proposed 2020 budget by early July.

5) I want to also be clear from the start, there will also be discussions throughout the summer on whether or not it makes sense for NCHC to enter into a long-term arrangement for ongoing management of Pine Crest past August of this year. I am not sure where that decision will land but it will be discussed actively. If working together long-term does not make sense for both entities then we will have proudly helped a partner county to get over a hurdle. If it does make sense, then there will be a lot of activity later this year to get into the details of making that change happen.

This opportunity is a great one for NCHC to be a regional skilled nursing provider and to work together across county lines to lead and advocate for the long-term viability of county nursing homes...
in our region. Lincoln County is facing some tough choices going forward but they have a lot of good things going for them as well. Nursing homes all across the nation and Wisconsin are struggling with the same issues of staffing, regulations and reimbursements. Over the course of the summer we will be able to perform the analysis necessary to determine if we can successfully operate county nursing homes in a regional way. We have shown the ability to successfully operate mental health, addictions and developmental disability services regionally for over 47 years.

When we take on a project like this it impacts normal day-to-day operations and we will need a number of people to contribute to successful ongoing operations. As always, but especially in the next few months, we will need to keep focused on MVCC’s and NCHC’s success while a number of individuals are participating in this project. Thank you in advance for your assistance and support.

If you have any questions, please relay them through your Executive or by contacting Debbie Osowski.

Make it a great day,

April 2019

Employee of the Month

SHEILA PYAN
Patient Accounts, MVCC

The NCHC Employee of the Month for May 2019 has been awarded to Sheila Pyan of Patient Accounts. Sheila provides excellent support for residents and families at Mount View Care Center while assisting them in understanding and applying for benefit services. She cares about those she works with and always makes time to help find solutions to obstacles or to just listen. Everyone can rely on Sheila for her compassionate care and great sense of humor. Thank you for all that you do!!

Congratulations Sheila!

“She is so personable with our residents and families, using sincere empathy and lots of humor.”

Spring Is Officially Here!
This week Ashley Downing and her children came across a sure fire sign of Spring – Robin eggs! While the location is a secret, for the safety of these beauties, we can all take inspiration from this sign of spring that gives us all a fresh start. Hopefully we will see these little fellas jumping around the Campus soon!

2019 YWCA WOMEN OF VISION
Congrats to Our Community Partners!

YWCA Wausau announced the 2019 Women of Vision: Eileen Eckardt, Connie Heidemann, and Christy Keele. Women of Vision is a longstanding YWCA tradition that celebrates women who help others and have a vision to make our community a better place.

Eckardt serves as the director of Family Health and Communicable Disease for the Marathon County Health Department. She has focused her life’s work and volunteer time on supporting families and individuals with an emphasis toward reaching diverse and vulnerable populations.

Heidemann serves as executive director of the Marathon County Literacy Council, or McLit. Through her commitment and dedication toward literacy programming, she has changed the lives of many.

Keele works as a guardian ad litem, litigating civic and protection matters. She has a passion for helping others overcome trauma, mental health and substance abuse as evidenced by creating the organization RISE UP. Keele has worked closely with our Lakeside Recovery Team on several RISE UP projects.

Congratulations to all three recipients! We are so proud of your accomplishments and your vision to make our community a better place. Sheryl Hemp of NCHC Outpatient Services was a recipient of the Women of Vision Award. We are so proud to have these women as partners in our community!

Changes to Crisis Center Entrance at the White Flag

MVCC Visitors Will No Longer Be Allowed Entry Through Crisis Center Doors

As you know, the North Central Health Care Wausau Campus shares space with a variety of health care programs in addition to Mount View Care Center skilled nursing. As we seek to continually improve our safety and security on the Wausau Campus, a letter is being sent to inform all Legacies by the Lake residents and families of some changes that have taken effect regarding visitor entrances on the Wausau Campus for Legacies by the Lake programs.

Our Crisis Center and Emergency entrance and parking areas can become quite busy at times, and to ensure that our emergency services are operating at optimum levels, non-emergency parking and visitors through the Crisis Center, all non-emergency visitors will need to use a different entrance.

All visitors to Legacies by the Lake Dementia Care programs (Gardenside Crossing, Lakeview Heights and Evergreen Place) will no longer be able to access the neighborhoods using the Crisis Center parking area (white flag, door #55).

To visit these neighborhoods, visitors may park in the main MVCC parking lot (purple flag) and use the main entrance doors or you may park in the large rear parking lot area near Gardenside and enter in a side door near the Cafeteria (doors marked #47 or #48).

Signs are being installed to assist with these changes at the parking lot areas in the rear of the building.

We need the help of all NCHC employees to assist visitors with this change. If you have questions, please feel free to call or email Kim Gochanour. Thank you for your help!
MAY IS 2019 MENTAL HEALTH MONTH

NCHC LINCOLN COUNTY TEAM AND HEALTHY MINDS COALITION PROMOTE MENTAL HEALTH AWARENESS

Fun with Chalk!

The team in Lincoln County teamed up with the Healthy Minds Coalition to create chalk art messages promoting Mental Health Awareness along the River Bend Trail. They met on Wednesday, May 29 at the River Bend pavilion and spread out along the River Bend Trail.

NCHC PSYCHIATRY TEAM OUTREACH FOR MENTAL HEALTH MONTH
Thanks Dr. Borra and Dr. Tran

Recently both Dr. Dileep Borra and Dr. Susan Tran participated in outreach to connect people with mental health awareness themes for Mental Health Month. Dr. Borra appeared on *The Doctor Is In* on WSAW for a segment on the “Connections Between Mental and Physical Health”. Catch the full interview online at: 
http://bit.ly/2HPvExy This topic is a big part of the “May is Mental Health Month” at a national level. Great job Dr. Borra! Thank you for your time and sharing your expertise with our community!

Dr. Susan Tran lead a discussion about “Happiness” in a Brown Bag Series lunch event on the Wausau Campus. Dr. Tran, who provides TeleHealth Psychiatry for NCHC, conducted her informative session on happiness via the TeleHealth Equipment. Attendees got to experience two-way dialogue with Dr. Tran, similar to how she conducts her TeleHealth Appointments. Thank you Dr. Tran for sharing your expertise and current research about happiness!

AQUATIC THERAPY POOL INFORMATION SESSION
Attendees got the first looks at the Aquatic Therapy Pool Drawings and Plans

On May 28, Aquatic Therapy Pool supporters and donors got their first look at the artistic renderings and plans for the new Aquatic Therapy Pool. About 65 attendees were able to see the new plans, ask questions and connect in a public meeting held in the Wausau Campus Theater. Later that evening, Wausau City Council approved the plans to move forward with the project. The bidding process will begin in June with construction of the new pool to begin later this year. Stay tuned for more new.

**Muscle Sprain Treatment and Prevention**

Gardening can be mentally refreshing; however, it can also wreak havoc on the muscles of the neck, arms, back and legs. Having properly working equipment and stoops to sit on can lessen the strains on your muscles and back. Proper lifting, frequently changing positions and stretching can help to ward off some injuries as well. Symptoms of a muscle strain include pain and or tightness in a muscle group that has been overworked. There could also be swelling and bruising. Most muscle strains heal on their own, but it may take a few days to a couple weeks.

If you do get a muscle strain, remember R-I-C-E: Rest-Ice-Compression-Elevation. Rest the affected part. Apply ice packs to the area over clothing or a towel for 15 minutes every 1-2 hours. Elevate the affected part. If needed, apply an elastic bandage to help relieve pain and swelling.

Over the counter analgesics such as ibuprofen (Aleve) and acetaminophen (Tylenol) may also help. Avoid strenuous activity that may reinjure. Please call the Employee Health and Wellness Center and make an appointment if your symptoms are not improving as expected.

**June 3-7 • Employee Health & Wellness Center Clinic**

Sherry Gatewood PA-C will be out of the office for the week of June 3. Sherry will be back in the Employee Health and Wellness Center on Monday, June 10.

During that time our clinic will be staffed with our medical assistant and administrative specialist. We will be able to perform nurse type visits including blood pressure checks, lab draws, weight checks, immunizations, and drug screens. Also, we will be able to schedule appointments for Sherry when she returns from vacation.

We are taking appointments for Sports/Camp Physicals. Please call the Employee Health and Wellness Center for an appointment at 715-843-1256.

IMPORTANT: NOTIFICATION OF VOLUNTARY BENEFITS CARRIER CHANGE

After a thorough review process of voluntary benefit providers, North Central Health Care has selected Standard Insurance Company (The Standard) as our new carrier for the Voluntary Short Term Disability (STD), Accident and Critical Illness Insurances. This change will take effect on July 1, 2019.

IMPORTANT: All benefit eligible employees will automatically be enrolled in the new short-term disability plan and premiums for this plan will be deducted from pay checks starting in July 2019.

If you wish not to be enrolled in the new plan you are required to log into The Standard Insurance enrollment portal during the open enrollment period listed above to waive the coverage.

There will be an open enrollment period for the voluntary benefits beginning June 3, 2019 continuing through June 14, 2019. Please plan on attending a meeting to learn about the new provider and the voluntary benefits being offered.

All benefit eligible employees will be receiving a mailing at their home address with additional information regarding the new voluntary short-term disability plan.

The link to The Standard’s Ready Enroll enrollment portal can be accessed via the internet at https://standard.benselect.com/NCHC or at North Central Health Care’s public website at www.norcen.org/careers/employee-benefits or via the NCHC intranet under the Employee Benefits link.

IT’S TIME FOR OUR CLASSIC CAR SHOW AND ICE CREAM SUNDAE SALE AT MVCC

These Events Will Happen Simultaneously on Tuesday, June 4th!

Yummy, ice-cream sundaes will be sold by the Mount View Information Station from 2:30-4:00 pm. Residents, staff, and family members can build their own sundae for a $3 donation to the Walk to End Alzheimer’s!

The Classic Car Show will begin at 2:30 pm! All employees, families, friends and public are welcome to show their classic cars, tractors, or motorcycles. Anyone wanting to show their automotive should come for parking between 2 and 2:30 pm.

Please, enter via the Marshall Street entrance, go toward the front entrance, and staff will guide you with parking.

The show is open to all residents, staff, family members, and friends between 2:30 and 4 pm. If you are showing your vehicle and need to leave early, that is ok. We will guide you out safely. Feel free to display a large print write up about your auto (make, model, year, and if won any trophies), because the residents really enjoy reading them.

A prize drawing, cookies, and fruit punch will be available for all of the Classic Car Show participants. Thank you!

We look forward to sharing this fun event with all of you!

If you have questions, please call Rachel Riehle, Life Enrichment Coordinator at 715.848.4354

The Car Show will be canceled in the event of rain. The Ice Cream Sundae Sale will take place, rain or shine!
