WEEKLY CONNECTION WITH OUR TEAM

Tom Boutain
Information Services
Executive

On June 8th, we went live with our new Behavioral Health Electronic Health Record (EHR) Cerner Millennium. This Wednesday and Thursday, we invited the Cerner implementation team back on-site to complete a 60-day post live health check. The two days consisted of one day of End-User Workflow Shadowing and one day on Cerner reporting options.

The End-User Workflow Shadowing team consisted of a Cerner consultant and an IMS team member. They typically met with superusers and talked about workflows and concerns or issues they were having. Many of the discussions immediately produced positive outcomes. Some major discoveries were identified around the usage of diagnosis codes and how some of them were not flowing through to billing. A change is in the works to correct this issue which will allow us to recognize the revenue.

The day dedicated to Cerner reporting was not as productive as I hoped. Although we were able to validate access for leadership and introduce them to the different reporting tools, we were not able to generate all the reports we need. The IMS team will continue to work with Cerner to create meaningful reports that are accurate and provide the data we need to manage our organization.

Thank you to the teams utilizing Cerner. I know with any major change like this there will be a learning curve and new challenges. I ask that you remain patient as we work through these issues and remind you to follow your identified workflows. When you have questions, you can consult with your superuser, reference the Cerner Tip Sheets, or contact the IMS team.

Proposed August 2021 USPS® Rates Approved

The US Postal Service™ will implement the new prices as planned, on Sunday, Aug. 29, 2021. The new pricing will enable USPS to grow revenue to help achieve financial sustainability to fulfill its universal service mission.

The price changes will raise overall product and service prices by approximately 6.9 percent. In the past 10 years, mail volume has declined by 46 billion pieces, or 28 percent, and is continuing to decline. Over the same period, First-Class Mail volume has dropped 32 percent, and single piece First-Class Mail volume — including letters bearing postage stamps — has declined 47 percent. The Mailing Services price changes include:

First-Class Mail	Current Prices	New Prices
First-Class Mail Single-Piece Letters (1 oz.)	\$0.55	\$0.58
First-Class Mail Single-Piece Letters additional ounce	\$0.20	\$0.20 (unchanged)
First-Class Mail Letters (metered 1 oz.)	\$0.51	\$0.53
First-Class Mail Domestic Postcards	\$0.36	\$0.40
First-Class Mail Single-Piece Flats (1 oz.)	\$1.00	\$1.16
International	Current Prices	New Prices
Outbound International Letters (1 oz.)	\$1.20	\$1.30

EMPLOYEE NOTICE FROM PURCHASING

Communication on Deliveries/Pick Ups

If you are using FedEx or UPS to deliver packages for NCHC business and the vendor is picking them up, please be sure to give FedEx or UPS the door number to enter for pick up. Time is wasted when staff are tracking down the package for pick up and drivers do not have time to wait. Without the proper information there is a chance their package would not be shipped out and reach the destination on time.

Thank you for your attention on this. If you have questions, please contact Kelly Henke-Kaiser at 715.848.4424 or khenke@norcen.org.

WAUSAU CAMPUS CAFETERIA NOTICE

Hot Food Service Suspended Temporarily

Due to the current enhanced precautions at Mount View Care Center, hot food will not be served until further notice at the Wausau Campus. The cold Grab & Go Menu will still be available. Our apologies for any inconvenience.

Also, please note that chairs in cafeteria should not be moved. To maintain social distancing requirements, seating is limited to 2 people per table.

STRESS MANAGEMENT & MENTAL HEALTH

Stress getting to you? Try some of these fun local activities for stress relief!

Is stress making you frustrated and irritable? Stress relievers can help restore calm and serenity to your chaotic life. You don't have to invest a lot of time or thought into stress relievers. If your stress is getting out of control and you need quick relief, try one of these tips.

Get Active

Virtually any form of physical activity can act as a stress reliever. Even if you're not an athlete or you're out of shape, exercise can still be a good stress reliever. Physical activity can pump up your feel-good endorphins and other natural neural chemicals that enhance your sense of well-being. Exercise can also refocus your mind on your body's movements, which can improve your mood and help the day's irritations fade away. Consider walking, jogging, gardening, housecleaning, biking, swimming, weightlifting or anything else that gets you active.

Connect with Others

When you're stressed and irritable, your instinct may be to isolate yourself. Instead, reach out to family and friends and make social connections. Social contact is a good stress reliever because it can offer distraction, provide support and help you tolerate life's up and downs. So take a coffee break with a friend, email a relative or visit your place of worship.

This month's focus for the 'Stress Management and Mental Health' sub-committee was highlighting locations and festivities in our local area that employees can participate in to support their mental well-being. Check out some of these fun ideas!

1. **Fireworks Family Fest** – Downtown Airport on September 24th
2. **Wausau Events 5K** – September 25th at the Wausau Airport
3. **Harvest Fest** – Downtown Wausau on October 9th
4. **Marathon Fun Days 5K** Run/Walk – September 3rd
5. **Free Water Ski Shows** – DC Everest Park on Lake Wausau-Tuesdays June 1, 2021-August 31, 2021
6. **Weston Farmers Market** every Tuesdays on the corner of Camp Phillips Road and Schofield Ave.
7. **Walk along the Riverlife Park**, 1400 North River Drive, Wausau, WI
8. **Hiking/Walking** up Rib Mountain to the top
9. **Go skiing at Rib Mountain** in the Winter months
10. **Attend a show** at the Grand Theater (music, dance, comedy, etc)
11. **Go to the Yawkey House Museum**
12. **Walk at a local park** to help relieve stress
13. **Walk at Monk Gardens** and enjoy the scenery to help relax

**REFER A FRIEND

REFERRAL BONUS FAQ's

The Human Resources Team receives lots of questions pertaining to the Referral Bonus Policy. We are excited our staff are taking advantage of this and sharing the great opportunities we have at NCHC in all three counties. Here are some answers to commonly asked questions:

- Per the Referral Bonus policy, previous employees (that have been an employee of NCHC at any time) and contract employees (that have been here the last year) are not "eligible hires" for current employees to receive a referral bonus on. See highlighted area below:
- Eligible employees will be rewarded a referral bonus when they refer a qualified candidate for successful employment at NCHC.
- The candidate must be hired into a budgeted full-time equivalent (FTE) position of 0.50 or greater, and remain employed in good standing and in the status of 0.50 or greater. Market sensitive positions can be hired at less than 0.5 FTE and still receive referral bonus.
- The referring employee must be employed by NCHC and in good standing at the time the bonus is paid to be eligible for payment.
- The referral bonus does not apply for in-house transfers or promotions or referring prior employees. The referral bonus does not apply for referring former students, contract employees or temporary employees within one year of separation.
- Only one employee will receive an Employee Referral Bonus per candidate.

September is **FALL PREVENTION** Month!

WE ALL HAVE ROLE TO PLAY IN FALL PREVENTING FALLS!

The beginning of the fall season starts Fall Prevention Month! In September, the NCHC Falls Committee wants to recognize and bring awareness to Fall Prevention Month. This year so far the committee has worked to bring about an organizational wide Fall Prevention and Management program which includes education on proactive rounding and fall huddles, along with an organizational wide assessment.

Each week we will feature a new Fall Prevention awareness activity for staff. When you complete the activities, you will be entered into drawings to win great prizes! Winners will be announced at the end of the month!
